

GP feedback to the RACGP – In confidence

Quality improvement is an integral component of the CPD Program and this includes reviewing the ongoing quality of the activities that are delivered. This form is provided for you to give confidential feedback on any aspects of the activity in which you have taken part.

Please contact, or submit this form to, your local RACGP office if:

- the advertising was misleading, incorrect or in any other way did not reflect the activity you attended
- there was a specific product, medical service or medical device promotion within the education content of the activity – for example, images, biased or unbalanced clinical data or specific product information
- the content presented was not evidence-based or had the potential to adversely affect the safety of patients
- you have any concerns about how the activity may reflect on the reputation of the RACGP.
